Aim and focus of the conference

The aim of the conference is to present the current results of dissertation theses of students of doctoral programmes of the Faculty of Horticulture in Lednice, including increasing the general awareness of the problems solved at individual departments of the Faculty of Horticulture. **The results will be presented by students of the 3rd and 4th years, passive participation of students of lower years at the conference is mandatory.**

The best papers presented at the plenary session will be selected and the presenters will be financially rewarded. The abstract book will be published at the same time as the conference.

Scientific Sessions:

1. Horticulture (D-ZAHR, D-EUHO)
2. Landscape architecture (D-KA)

Venue:

Lecture hall Aula of the Faculty of Horticulture in Lednice, foreign participants can present online (in case of unfavourable epidemiological situation, the conference will be held online)

Language of the meeting: English
